

RoHS Declaration of Conformity

For the Swiss sites of the BWB group we hereby declare the conformity of our standard processes, as listed in our range of services on the BWB website (www.bwb-group.com), with the

Directive 2011/65/EU of the European Parliament and of the Council of June 8, 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment,

which entered into force on January 3, 2013.

This statement includes the additional substances from the **Delegated Directive (EU) 2015/863**.

The following BWB standard processes are not compliant:

- ▶ Chromic acid anodizing (CAA)
- ▶ Conversion coating (Alodine 1200S / 1500)
- ▶ Zinc plating followed by conversion coating (containing Cr-VI) yellow
- ▶ Sealing with dichromate

Stans-Oberdorf, 3.1.2023
